

# REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND-JUJA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE 2017

---

## REPORT ON THE FINANCIAL STATEMENTS

### Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund–Juja Constituency set out on pages 5 to 24, which comprise the statement of assets as at 30 June 2017, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund-Juja Constituency as at 30 June, 2017, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with National Government Constituencies Development Fund Act, 2015.

In addition, as required by Article 229(6) of the Constitution, except for the matter described in the Basis for Qualified Opinion and Other Matter sections of my report, based on the procedures performed, I confirm that, nothing else has come to my attention to cause me to believe that public money has not been applied lawfully and in an effective way.

### Basis for Qualified Opinion

#### 1. Unsupported Bursary Disbursements

Note 7 to the financial statements for the year ended 30 June 2017 reflects other grants and transfers balance of Kshs.84,702,324 which includes Kshs.28,859,580 in respect of bursary-secondary schools which was awarded to various beneficiaries in learning institutions as bursaries to needy students. However, out of the total disbursements, an amount of Kshs.27,613,990 was not supported by acknowledgement letters/receipts from institutions who received the bursary awards to confirm that it was received and accounted for. Consequently, it has not been possible to ascertain whether the bursaries awarded reached the intended beneficiaries and were properly accounted for as at 30 June 2017.

#### 2. Bank Balances

The statement of assets reflects bank balance of Kshs.1,301,728 as at 30 June 2017. However, scrutiny of the bank reconciliation statement presented for audit verification

indicated that, unpresented cheques amounting to Kshs.1,017,428 were already stale as at 30 June 2017 and could not be presented to the bank for payment. No reason was provided for the failure to reverse the cheques into the cashbook.

Consequently the accuracy of bank balances of Kshs.1,301,728 as at 30 June 2017 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of National Government Constituencies Development Fund-Juja Constituency in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. except for the matters described in the Basis for Qualified Opinion section, I have determined that there are no other Key Audit Matters to communicate in my report.

### **Other Matter**

#### **Construction of Abba Salama AP Post**

Note 7 to the financial statements on other grants and other payments for the year ended 30 June 2017 reflects security balance of Kshs.8,900,000 which includes an amount of Kshs.2,000,000 for the construction of two (2) security staff houses in Abba Salama AP Post. The disbursement was in addition to an amount of Kshs.2,000,000 allocated to the project in the financial year 2015/2016 bringing cumulative disbursement to Kshs.4,000,000 spent on the project. Although a physical verification of the AP Post and staff houses showed that the construction works were completed except for interior and exterior painting, the facilities had not been put into use as at time of audit in June 2018. No explanation was provided for the failure to utilize the facilities.

### **Responsibilities of Management and those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to sustain services, disclosing, as applicable, matters related to sustainability of

services and using the applicable basis of accounting unless the management either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

### **Auditor-General's Responsibilities for the Audit of the Financial Statements**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances and for the purpose of giving an assurance on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based

on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
