

# REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KINANGO CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

---

## REPORT ON THE FINANCIAL STATEMENTS

### Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kinango Constituency set out on pages 22 to 68, which comprise the statement of assets and liabilities as at 30 June, 2020, statement of receipts and payments, statement of cash flows and summary statement of appropriation; recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Kinango Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituency Development Fund Act, 2015 and Public Finance Management Act, 2012.

### Basis for Qualified Opinion

#### Inaccurate Bank Balance

The statement of assets and liabilities as at 30 June, 2020 reflects Kshs.7,259,378 in respect of bank balance. The supporting bank reconciliation statement as at 30 June, 2020 reflects unrepresented cheques amounting to Kshs.28,235,110. However, included in the unrepresented cheques of Kshs.28,235,110 were stale cheques totalling Kshs.421,426 which had not been reversed in cash book, thereby understating the cash and bank balance by the same amount.

Further, the bank reconciliation reflected Kshs.42,052 as payments in bank statements not yet recorded in cashbook. No explanation was provided for the failure to record the same in cashbook.

Consequently, the accuracy and completeness of bank balance of Kshs.7,259,378 as at 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kinango Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **Other Matter**

### **1.0 Budgetary Controls and Performance**

The statement of appropriation: recurrent and development combined for the year ended 30 June, 2020 reflects a revenue budget of Kshs.200,887,436 against actual receipts of Kshs.126,019,713 , resulting to an under collection of Kshs.74,867,723 or 37% of the budget. Similarly, the statement reflects expenditure budget of Kshs.200,887,436 against actual expenditure of Kshs.118,760,334, resulting to under absorption of Kshs.82,127,102 or 41% of the approved budget.

Based on the approved estimates, under funding and expenditure affected the planned activities and may have impacted negatively on service delivery to the public.

### **2.0 Project Implementation Status**

The project implementation status report availed for audit review indicated that sixty-four (64) projects worth Kshs.57,750,000 were budgeted to be implemented. However, twenty-two (22) projects with a budget of Kshs.4,550,000 (34%) were completed and in use as at 31 December, 2020 while fourteen (14) projects with a budget of Kshs.30,500,000 (22%) were ongoing and twenty-eight (28) projects with a budget of Kshs.22,700,000 (44%) had not started.

Further, audit inspection of ten (10) projects with a total allocation of Kshs.27,363,429.81 in the month of February, 2021 revealed that eight (8) projects were completed and in use; one (1) project for construction of administration block at Gandini Chief's office had cracks on the pavement and wall was falling and one (1) project for purchase of school bus for Ndavoyo Secondary School, confirmed the existence of the bus. However, the log book was not provided for review.

Poor implementation of development projects may impact on service delivery to the residents of Kinango Constituency. Further, the defects noted in workmanship means that value for money may not have been realized from the projects.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

## **Basis for Conclusion**

### **Bank Balances for Closed Projects**

Annex 5 to the financial statements reflects bank balances in fifty-six (56) project management committees' bank accounts totaling Kshs.11,473,853.77. Included in the annex are bank balances for eight (8) closed projects totaling Kshs.369,486 and which had not been refunded to the Fund's main account.

This is contrary to Section 12(8) of National Government Constituencies Development Fund Act, 2015 which states that "all unutilized funds of the Project Management Committee shall be returned to the constituency account".

Therefore, the Management is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, management is responsible for assessing the ability of the Fund to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to abolish the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the Fund's financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the Fund's financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
