

# **REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - MANDERA WEST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2022**

---

## **PREAMBLE**

I draw your attention to the contents of my report, which is in three parts: -

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that the entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

## **REPORT ON THE FINANCIAL STATEMENTS**

### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Mandera West Constituency set out on pages 1 to 34, which comprise of the statement of financial assets and liabilities as at 30 June, 2022, and the statement of receipts and payments, statement of cash flows, summary statement of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material

respects, the financial position of National Government Constituencies Development Fund - Mandera West Constituency as at 30 June, 2022 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and Public Finance Management Act, 2012.

## **Basis for Qualified Opinion**

### **1. Unsupported Payment on Secondary Schools Projects**

Included in the transfer to other Government entities balance of Kshs.113,201,995 as disclosed in Note 4 to the financial statements is an expenditure of Kshs.46,018,000 incurred as transfer to secondary schools. However, Project Management Committee (PMC) bank statements confirming how the disbursed funds were paid out to the contractors for four (4) secondary schools' projects amounting Kshs.7,200,000 were not provided for audit review.

In the circumstances, the validity, accuracy and completeness of the transfers to secondary schools of Kshs.7,200,000 for the year ended 30 June, 2022 could not be confirmed.

### **2. Untitled and Unvalued Parcel of Land**

The statement of receipts and payments reflects acquisition of assets of Kshs.8,437,500 in respect of construction of office buildings as disclosed in Note 6 to the financial statements. However, Management did not provide for audit review the title deed or allotment letter in respect of the land on which the structure is erected. In addition, the value of the land was not disclosed in the summary of fixed asset register in Annexure 3 to the financial statements.

In the circumstances, the ownership and value of the land as at 30 June, 2022 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Mandera West Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **Other Matter**

### **1. Budgetary Control and Performance**

The summary statement of appropriation reflects actual receipts of Kshs.254,746,804 and actual expenditure on comparable basis of Kshs.164,994,288, resulting to an under-expenditure of Kshs.89,752,516 or 35%.

The under-expenditure may have affected implementation of the Fund's planned activities and may have impacted negatively on service delivery to the people of Mandera West Constituency.

## 2. Project Implementation Status Report

During the year under review, the Fund allocated Kshs.94,126,068 to fifty-seven (57) projects in various sectors including emergency, sports, security, environment, CDF office and education. Project implementation status report provided revealed that twenty six (26) projects were complete, thirty one (31) projects were ongoing as detailed bellow:

Sector	Amount Allocated (Kshs.)	Projects Completed	Project On-going
Emergency	7,182,118	3	0
Sports	1,910,000	4	0
Security	2,170,000	1	0
Environment	2,000,000	0	1
Education	77,700,500	15	30
CDF Office	3,163,450	3	0
<b>Total</b>	<b>94,126,068</b>	<b>26</b>	<b>31</b>

From the above analysis, the Fund Management achieved 45% on project implementation to completion status.

The non-implementation of the planned projects may have impacted negatively on service delivery to the constituents.

## 3. Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements and Report on Lawfulness and Effectiveness in Use of Public Resources. However, the Management had not resolved the issues or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates.

### REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### Basis for Conclusion

##### 1. Failure to Report Utilization of Emergency Reserve Grants to the Board

Included in the other grants and other payments balance of Kshs.34,975,000 as disclosed in Note 5 to the financial statements is an expenditure of Kshs.10,050,000 incurred on emergency projects. However, review of records revealed that the Management of the Fund did not report to the NGCDF Board about the utilization of the emergency funds within 30 days of the occurrence of the emergency contrary to Section 20(2) of the National Government Constituencies Development Fund Regulations, 2016 which provides that the utilization of the emergency reserve shall be reported to the Board within thirty days of the occurrence of the emergency, in the format prescribed by the Board.

In the circumstances, Management was in breach of the law.

## **2. Lack of a Constituency Oversight Committee**

During the year under review, the Fund Management did not constitute Constituency Oversight Committee whose role is soliciting views, opinions and proposals from the public in regard to the Fund and presenting the views and opinions to the National Assembly. This is contrary to the provisions of Section 53(1) of the National Government Constituency Development Fund Act, 2015, which provides that there is established a Constituency Oversight Committee for projects undertaken under this Act.

In the circumstances, Management was in breach of the law.

## **3. Lack of Project Management Committees (PMCs) Records and Returns**

Review of documents revealed that records of the bank accounts held by the various PMCs, bank statements, cash books and returns to the Constituency Committees were not maintained at Fund's office. This is contrary to Regulations 15(1b and d) of the National Government Constituency Development Fund Regulations, 2016 which requires a PMC to maintain proper records of all minutes, accounting documents and other records in relation to projects being implemented; and prepare returns and file them with a constituency committee on a timely basis.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

## **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

**CPA Nancy Gathungu, CBS**
