

REPORT OF THE AUDITOR-GENERAL ON ST. FRANCIS GIRLS' HIGH SCHOOL (MANG'U) FOR THE YEAR ENDED 30 JUNE, 2021 - KIAMBU COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that consider whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards, and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines, and manuals and whether public resources are applied in a prudent, efficient, economic, transparent, and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Control, Risk Management, and Governance which considers how the entity has instituted checks and balances to guide internal operations. This response to the effectiveness of the governance structure, the risk management environment and the internal controls developed and implemented by those charged with governance for orderly, efficient, and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of St. Francis Girls High School (Mang'u) – Kiambu County set out on pages 21 to 41, which comprise of the statement of financial assets and financial liabilities as at 30 June, 2021, statement of receipts and payments, statement of cash flows and the statement of budgeted versus actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the St. Francis Girls High School (Mang'u) – Kiambu County as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Basic Education Act 2013.

Basis for Qualified Opinion

1.0 Inaccuracies in the Financial Statements

Review of the statement of cash flows and notes to the financial statements reflects various unexplained variances as detailed below:

Item	Balance as per Cash flow statement (Kshs)	Note	Balance as per Notes to the Financial statements (Kshs.)	Variance (Kshs.)
Payment for Tuitions	1,577,840	5	1,556,170	21,760
Payment for Operations	11,835,724	6	26,921,674	15,085,950
Capital Grants for Operations	16,404,128	2	16,023,876	380,252
School Fund Income Parents' Contributions	46,993,193	3	34,637,853	12,355,340

In the circumstances, the accuracy and completeness of the balances could not be confirmed.

2.0 Unsupported Cash and Cash Equivalents

The statement of financial assets and financial liabilities reflects a balance of Kshs.22,051,610 in respect to cash and cash equivalents as at 30 June, 2021. However, the School did not maintain updated cash books. Further, the statement reflects a balance of Kshs.1,262,240 in respect to cash balances as disclosed under Note 9 to the financial statements, however, no board of survey reports were provided for audit review.

In the circumstances, the accuracy and completeness of cash and cash equivalent balance of Kshs.22,051,610 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the St. Francis Girls' High School (Mang'u) Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe

that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

Non-Compliance with the Public Sector Accounting Standards Board (PSASB) Reporting Requirements

The Public Sector Accounting Standards Board (PSASB) Guidelines on Implementation of International Public Sector Accounting Standards (IPSAS) by Secondary Schools in Kenya of 20 August, 2021 requires the first financial statements after adoption of IPSAS to be presented for eighteen (18) months from 1 January, 2020 to 30 June, 2021 with comparatives being for twelve (12) months from 1 January, 2019 to 30 December, 2019. Further, a disclosure note ought to have been included in the financial statements that the reason for preparing for longer period is due to the adoption of IPSAS for school and the change from calendar year to government fiscal year. In addition, a disclosure note should be made in the financial statements that the comparative information may not be comparable due to the longer period covered by the current financial period.

However, Management presented the annual report and financial statements covering only one year for financial year 2020-2021 with comparative balances for financial year 2019. Therefore, the financial statements have not been prepared for eighteen-months (18) as prescribed the Public Sector Accounting Standards Board (PSASB).

Further, no disclosure was made on the change in the preparation of financial statements from calendar year to government fiscal year or on the lack of comparability due to longer period covered by the current financial period.

In the circumstances, Management did not comply with the guidelines issued by the public sector accounting standard board.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs) 4000. The standard requires that I comply with ethical requirements

and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion

REPORT ON EFFECTIVENESS OF INTERNAL CONTROL, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters discussed in the basis for conclusion one effective of Internal Controls, risk Management and Governance section of my report, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1.0 Lack of Approved Budget and Procurement plan

The statement of budgeted versus actual amounts reflects a final budget of Kshs.33,176,110. However, no documentary evidence for approval of the budget by the School's Board of Management. This is contrary to Section 16(1) of Part 1 of the Fourth Schedule of the Basic Education Act, 2013 which states that a Board of Management of a public institution of basic education shall prepare annual estimates of revenue and expenditure for the institution under its charge, in such form and such times as the Cabinet Secretary shall prescribe.

Further, review of the annual procurement plan revealed that there was no evidence of approval of the plan by the Board of Management. This is contrary to Section 53(2) and (5) of the Public Procurement and Asset Disposal Act, 2015 which requires entities to have in place procurement and asset disposal plans that are based on indicative or approved budgets which shall be integrated with the applicable budget process.

Further, review of the annual report and financial statements revealed that the School did not have a fixed asset register. The attached appendices were not comprehensive and the assets listed had no corresponding value. This is contrary to Section 143(1) of Public Finance Management (National Government) Regulations, 2015 prescribes that the Accounting Officer shall be responsible for maintaining a register of assets under his or her control or possession as prescribed by the relevant laws

In the circumstances, the existence of an effective assets management mechanisms could not be confirmed.

2.0 Lack of Asset Ownership Documents

Review of records revealed that the parcel of land where the School is situated is owned by the Catholic Archdiocese of Kiambu and ownership documents are not under the School's name.

In the circumstances, the existence of an effective assets management mechanisms could not be confirmed.

3.0 Lack of Policies

Review of internal control revealed that the school did not have an ICT policy, internal audit unit and Risk management policy to ensure that the national government entity develops risk management strategies, which include fraud prevention mechanisms, a system of risk management and internal control that builds robust business operations. It was also noted that there was no segregation of duties in approvals and payments.

In the circumstances, the existence of effective internal controls mechanism could not be ascertained.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAI's) 2315 and 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall Governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue to sustain its services, disclosing, as applicable, matters related to the sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the School or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions, and information reflected in the financial statements are in compliance with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, and ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the School to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the School to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

12 October, 2023
