

REPORT OF THE AUDITOR-GENERAL ON DUNGICHA SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2021 – KILIFI COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal control, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Dungicha Secondary School – Kilifi County set out on pages 12 to 35 which comprise of the statement of receipts and payments as at 30 June, 2021 and the statement of financial assets and financial liabilities, statement of cash flows and the statement of budgeted verses actual amounts for the year then ended, and a summary of significant accounting policies and other

explanatory notes in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Dungicha Secondary School – Kilifi County as at 30 June, 2022 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Basic Education Act, 2013.

Basis for Qualified Opinion

1. Variances in the Financial Statements

The statement of receipts and payments reflects various amounts that differ with the amounts reflected in the statement of cash flows resulting in unexplained and unreconciled variances as shown below;

Component	Statement of Receipts and Payments Amount (Kshs)	Statement of Cash Flows Amount (Kshs)	Variance (Kshs)
School fund income- Parents contribution	8,759,475	5,088,915	3,670,560
School fund income- Other Receipts	8,000	-	8,000
Payments for tuition	1,028,575	630,990	397,585
Payments for operations	2,403,665	2,366,165	37,500
Boarding and school fund payments	4,802,686	4,381,426	421,260
Payments for infrastructure	252	-	252

In the circumstances, the accuracy and completeness of the financial statements could not be confirmed.

2. Unsupported Cash and Cash Equivalents

The statement of financial assets and financial liabilities reflects a cash and cash equivalents balance of Kshs.2,328,525 which includes bank balances of Kshs.2,320,748 and cash balances of Kshs.7,776 as disclosed in Notes 10 and 11 to the financial

statements. However, no board of survey report was provided for audit to confirm the cash balances.

In the circumstances, the accuracy and completeness of the cash and cash equivalents balance of Kshs.2,328,525 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Dungicha Secondary School Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Non-Compliance with the Public Sector Accounting Standards Board (PSASB) Reporting Requirements

The Public Sector Accounting Standards Board (PSASB) Guidelines on Implementation of International Public Sector Accounting Standards (IPSAS) by Secondary Schools in Kenya of 20 August, 2021 requires the first financial statements after adoption of IPSAS to be presented for eighteen (18) months from 1 January, 2020 to 30 June, 2021 with

comparatives being for twelve (12) months from 1 January, 2019 to 30 December, 2019. Further, a disclosure note ought to have been included in the financial statements that the reason for preparing for longer period is due to the adoption of IPSAS for school and the change from calendar year to government fiscal year. In addition, a disclosure note should be made in the financial statements that the comparative information may not be comparable due to the longer period covered by the current financial period.

However, Management presented the annual report and financial statements covering only one year for financial year 2020-2021. Therefore, the financial statements have not been prepared for eighteen-months (18) as prescribed by the Public Sector Accounting Standards Board (PSASB).

Further, no disclosure was made on the change in the preparation of financial statements from calendar year to Government fiscal year or on the lack of comparability due to longer period covered by the current financial period.

In the circumstances, the financial statements have not been prepared in accordance with the recommended reporting template and guidelines issued by the Public Sector Accounting Standards Board.

2. Irregularities in Procurement of Goods and Services

Review of records at the School revealed that the Management paid a total of Kshs.3,011,555 to various suppliers for the supply of various goods and services during the year. However, the following anomalies were noted in the procurement processes:

- i. There was no evidence of requisitions being submitted to head of procurement for procurement initiation as provided in Regulation 71(1) of the Public Procurement and Assets Disposal Regulations, 2020 which states that the head of the user department shall initiate the procurement through a requisition as per the approved procurement plan.
- ii. There was no evidence of a register for registered suppliers as required by section 57(1) of the Public Procurement and Asset Disposal Act, 2015.
- iii. There was no tender evaluation to deal with eligibility and capability of the bidder as required under Section 46 of the Public Procurement and Asset Disposal Act, 2015.
- iv. No contracts were signed and executed as per Section 135(1) of the Public Procurement and Asset Disposal Act, 2015 which provides that the existence

of a contract shall be confirmed through the signature of a contract document incorporating all agreements between the parties.

- v. No inspection and acceptance of goods was carried out as stipulated in Section 48(1) of the Public Procurement and Asset Disposal, Act, 2015, which states that the Accounting Officer of a procuring entity may establish an adhoc committee known as the inspection and acceptance committee.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective

Basis for Conclusion

1. Inadequate Board Committee Meetings

Review of full Board of Management minutes revealed that the Board held only one meeting on 12 May, 2022. Further, review of the Board of Management records shows that there are six (6) sub committees. However, the sub committees had not met since their establishment thus hindering service delivery to the school.

In the circumstances, decision-making may have been hindered which eventually could affect the smooth operations of the school.

2. Lack of an Imprest Register

Review of records at the School revealed that imprests amounting to Kshs.140,400 were issued to various officers to undertake various activities away from the work station. However, the imprests were not recorded in the imprest register.

In the circumstances, the effectiveness of the internal controls on the management of the imprests could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of intention to terminate the School or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal controls components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the School policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the School to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the School to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

09 October, 2023
